

Rapid Miner Studio

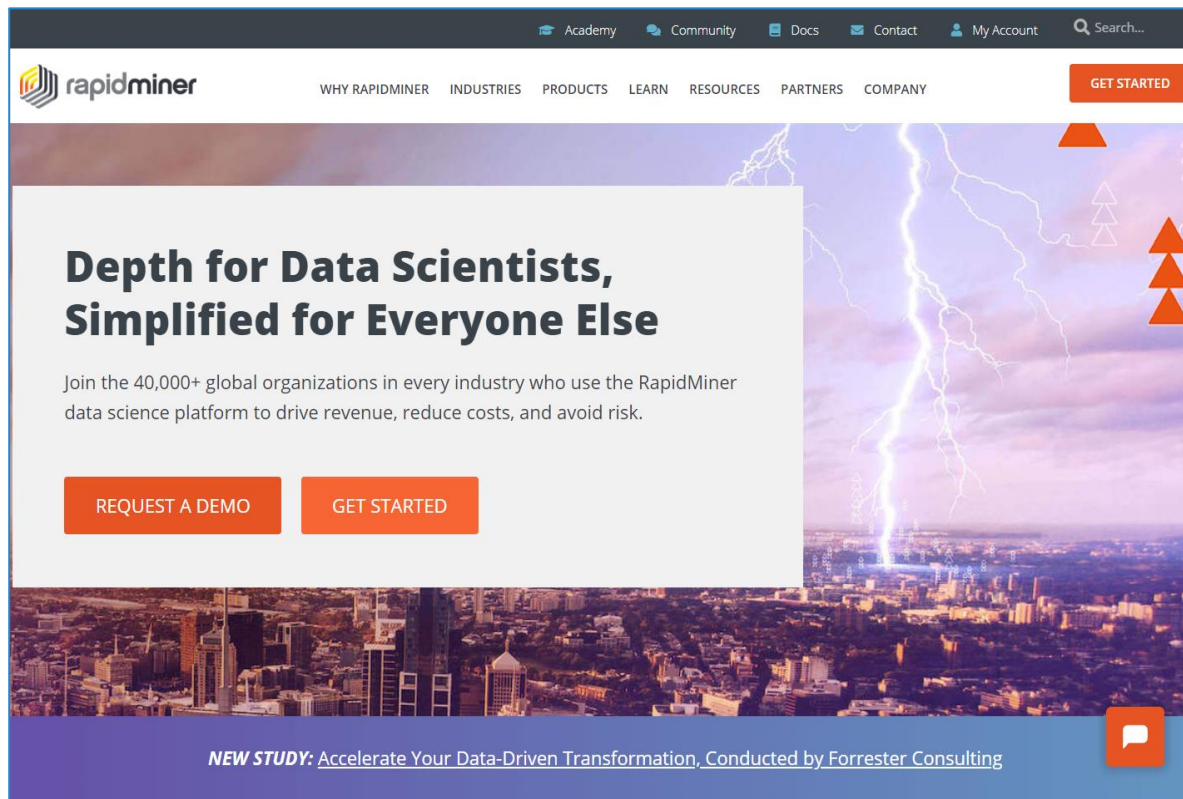

Introduction to Rapidminer

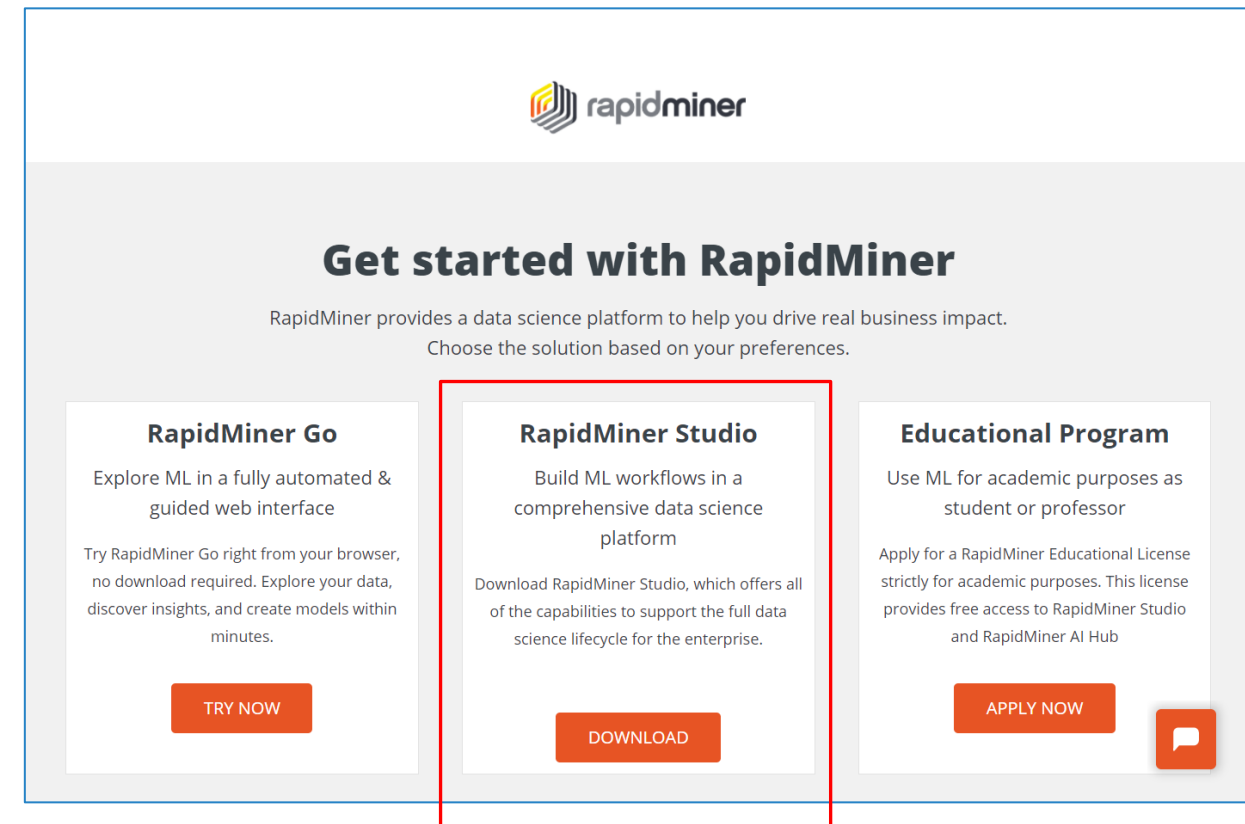

- Rapidminer คือซอฟต์แวร์สำหรับทำ Data Mining และ Machine Learning
- มีกระบวนการทำงานที่ครบครัน ได้แก่
 - การโหลด และการแปลงข้อมูล (ETL)
 - การประมวลผลก่อนหน้า
 - การวาดภาพจากข้อมูล
 - การวิเคราะห์เชิงพยากรณ์
 - การสร้างแบบจำลองทางสถิติ
 - การประเมินผลและการปรับใช้
- ผู้ใช้ไม่จำเป็นต้องเขียนโค้ด เพราะการทำงานเป็นแบบ Drag and drop

RapidMiner Studio

Download ได้จาก <https://rapidminer.com/>

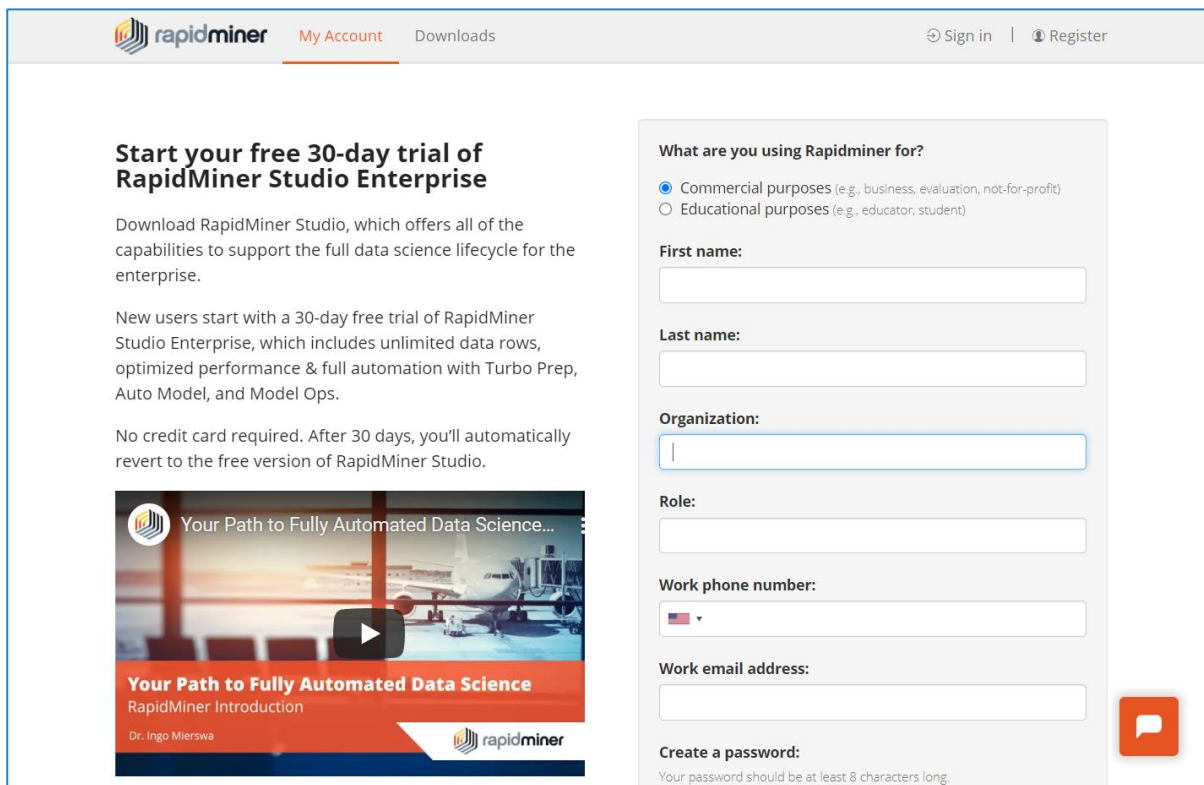

The screenshot shows the RapidMiner website homepage. The top navigation bar includes links for Academy, Community, Docs, Contact, and My Account, along with a search bar. Below this is a secondary navigation bar with links for WHY RAPIDMINER, INDUSTRIES, PRODUCTS, LEARN, RESOURCES, PARTNERS, and COMPANY, and a GET STARTED button. The main content area features a large hero image of a city at night with a lightning bolt. On the left, a white box contains the text "Depth for Data Scientists, Simplified for Everyone Else" and a subtext "Join the 40,000+ global organizations in every industry who use the RapidMiner data science platform to drive revenue, reduce costs, and avoid risk." Below this are two orange buttons: "REQUEST A DEMO" and "GET STARTED". At the bottom, a blue banner reads "NEW STUDY: Accelerate Your Data-Driven Transformation, Conducted by Forrester Consulting" with a speech bubble icon.

This section shows the "Get started with RapidMiner" area of the website. It features the RapidMiner logo at the top. The main heading is "Get started with RapidMiner", followed by the text "RapidMiner provides a data science platform to help you drive real business impact. Choose the solution based on your preferences." Below this are three white boxes, each with an orange button at the bottom. The first box is for "RapidMiner Go" with a "TRY NOW" button. The second box is for "RapidMiner Studio" with a "DOWNLOAD" button; this box is highlighted with a red border. The third box is for the "Educational Program" with an "APPLY NOW" button. A speech bubble icon is located at the bottom right of the Educational Program box.

Educational version

RapidMiner Educational License Program

There are 4,000+ universities around the world using RapidMiner every day for instructional or research purposes. We are proud to support them with the RapidMiner Educational License Program. This program provides free, 1-year, renewable educational licenses for the entire RapidMiner platform. If you or someone you know want to use RapidMiner in an educational setting, we strongly encourage you to take advantage of our program, outlined in more detail below.

For Students

If you are a student at an accredited university, you qualify for a 1-year, renewable educational license of RapidMiner Studio, AI Hub (formerly Server), and Radoop. You also have access to free online training courses via [RapidMiner Academy](#), free certification exams with credentials that can be shared on LinkedIn, and support via the [RapidMiner Community](#).

GET STARTED

Studio

Unlimited Data Rows
Unlimited Logical Processors
Community Support
Turbo Prep
Auto Model
Automated Model ops
Background Process Execution
Access to Developer Controls
Direct Access to Course Materials in RapidMiner Studio*

AI Hub (Formerly Server)

1 Unit License
64 GB RAM
8 Logical Processors
Unlimited Web Service API Calls
Install Locally or Use a Cloud VM**

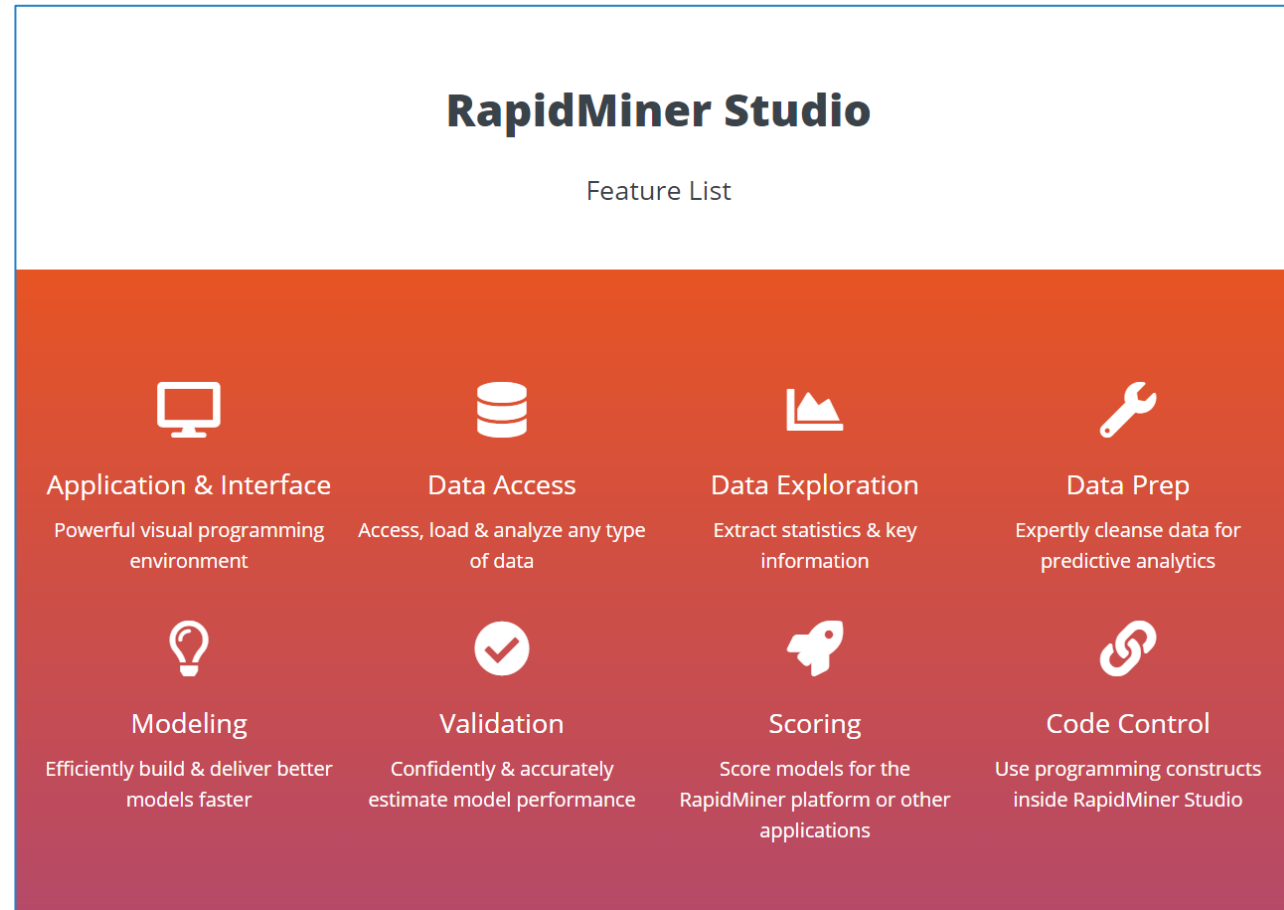

Real-Time Scoring

32 GB RAM
4 Logical Processors
365 Days per Year

Radoop

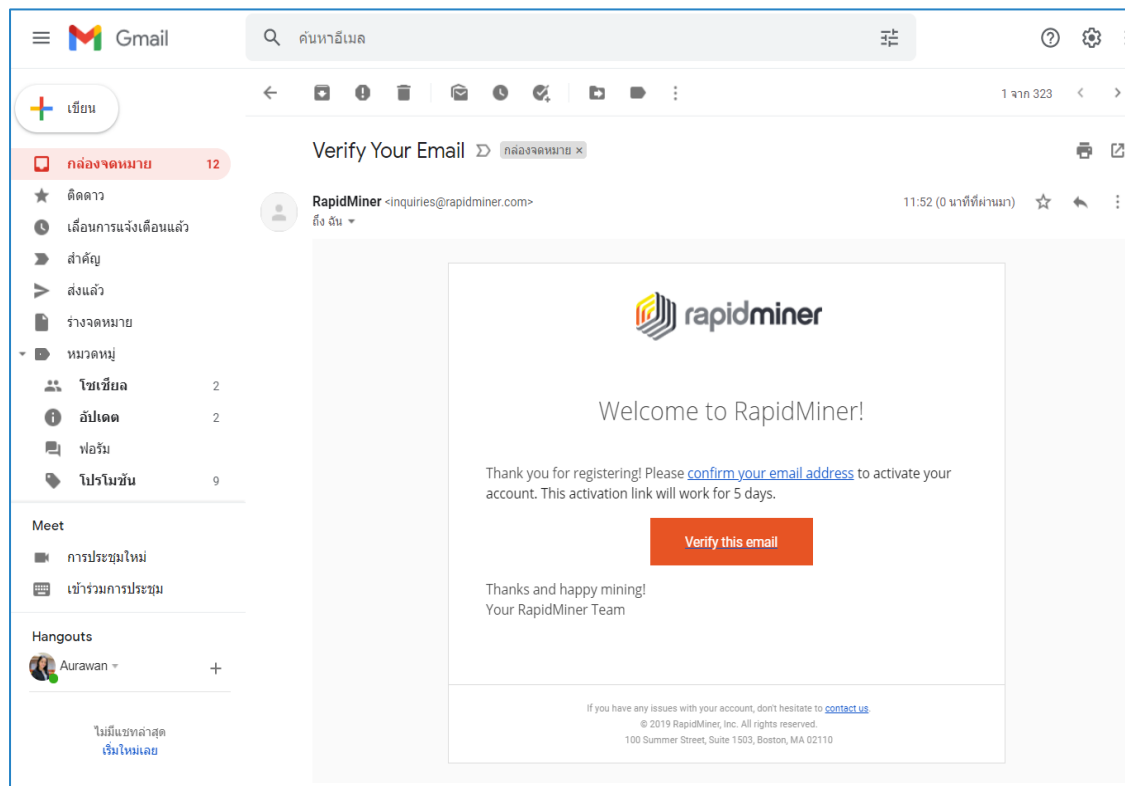

Supports 70+ Native Hadoop Operators
SparkRM Support (All 1500+ RapidMiner Operators)
